ABOUT ME

I am an experienced graphic and web designer who thrives on problem-solving in the creative realm. I am a team player and have excellent leadership skills. With a focus on user experience, I have a wealth of experience as an instructional designer and educator, and have acted as a department director in the education sector. I value collaborative work environments and the process of ever learning.

WORK EXPERIENCE

SUMMER BROW DESIGN
Creative/Art Director + Designer, 1997-present

Working with clients in a variety of industries (legal, health, entertainment), in both print and multi-media capacities.
